Murals have become a unique and appealing way of increasing tourism and improving commerce.

Clark County Mural Society has been working toward a vision of artistic identity and cultural richness in Vancouver, Washington since 2004. We have more than 30 murals to date, with a vision of having ever greater numbers.

Our goal is to become one of the key mural destinations for tourism on the West Coast. Through the annual Summer of Murals competition and other mural projects, we plan to bring Vancouver's number of murals to over 100. Mural destinations boast increased tourism which results in significant tax revenues and strengthens community pride.

CCMS has developed a project plan that will coordinate and promote public mural art through an annual festival speeding us toward our goal, while it brings the community together around art. Through the organized efforts of the Clark County Mural Society, this program relies on corporate sponsors, grant and private funding as well as public participation and community involvement.

Please join us in pictorially preserving and celebrating the art, history and culture of Vancouver USA while increasing the charm and character of our city for residents and visitors alike. We take pride in:

- **Promoting economic development by increasing tourism, business and tax revenues, and property values**
- **Inspiring and energizing our town and uniting our community, organized groups, and businesses by encouraging participation from all ages and walks of life**
- **Beautifying our streets while decreasing vandalism and eliminating graffiti**
- **Creating a greater appreciation of the visual arts and our historical roots while establishing the face and identity of Vancouver, Washington.**

It is our dedication and enthusiasm for this project that we hope you will embrace with your support and art.
